next year! Remember, Eva

Bonnie,

I'm really glad to have met you. I would like to know you better. You're such a sweet girl (I really mean it!) I don't think I can forget how we used to sit in class scared death that Mr. Sariego would call on us to give our reports.

Best of luck always and have a really great summer.

Luv,
Gail

Dear Bonnie
Sorry it took so long to write but I've been busy reading Spanish. Thanks for the great summer you gave me. I had a great time. I'll be sure to write you next year. Have a great summer & Bye for now.
Love, Linda Hollis

Dear Bonnie,
I'm glad you had a great summer. I'll be sure to write you next year. Thanks for being such a good friend to me.
Love, Nan Beth

Bonnie—

I don't really know what to say. I'm so glad we managed to get our classes together. Jimmy-how we managed to end up good friends. It's nice having someone to talk to — and we have talked — and talked — and talked, in a P.S. and Health.

Be good-

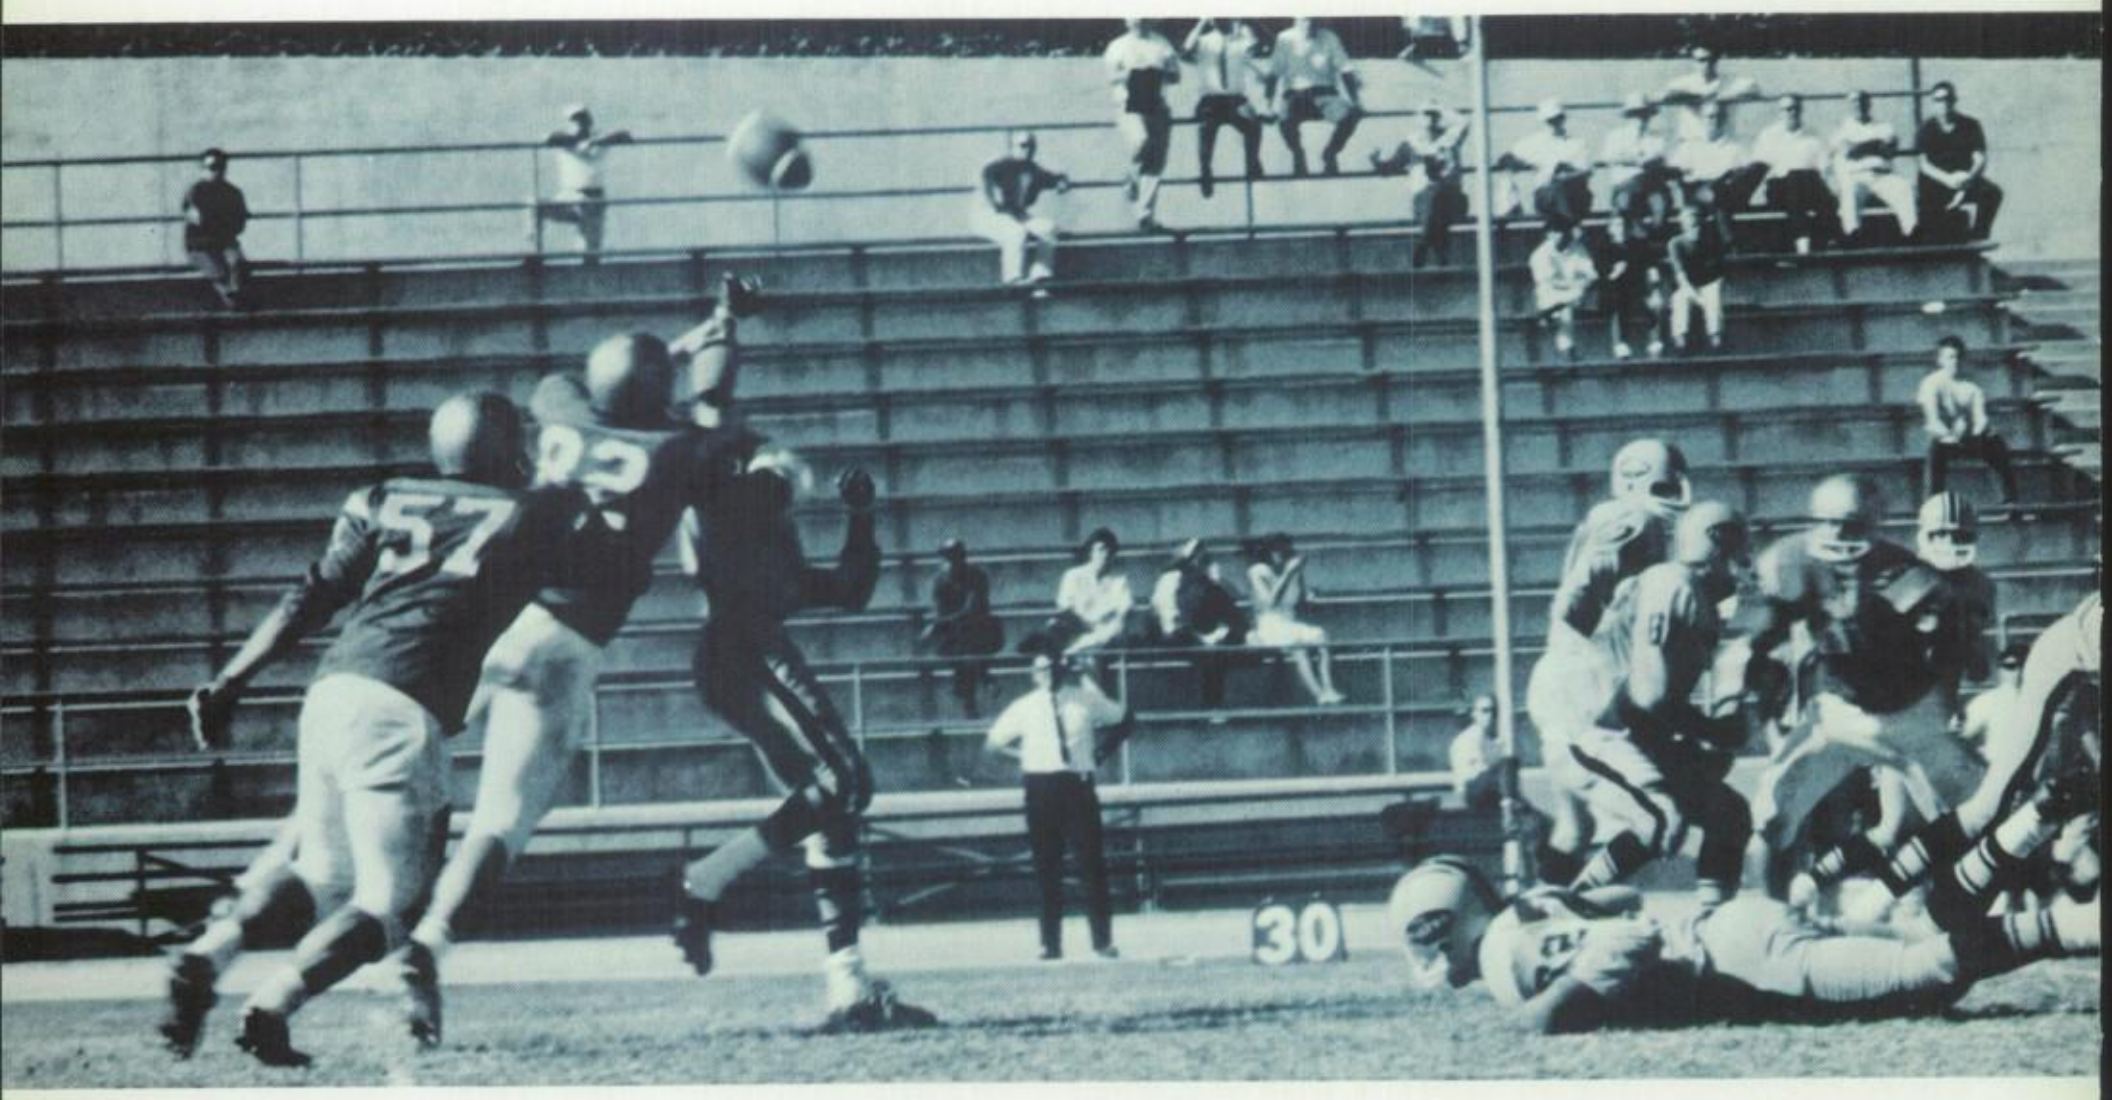
Love,
Me

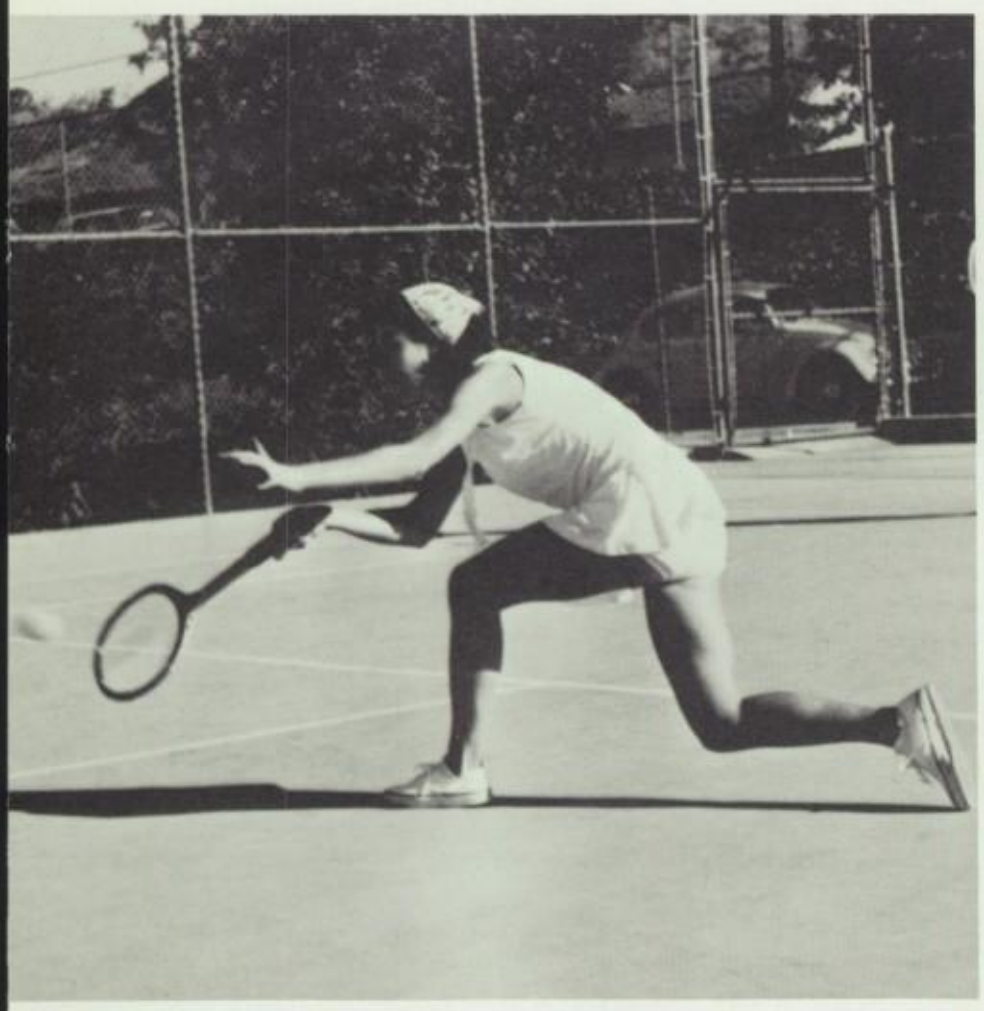
The chemist studies and learns to be

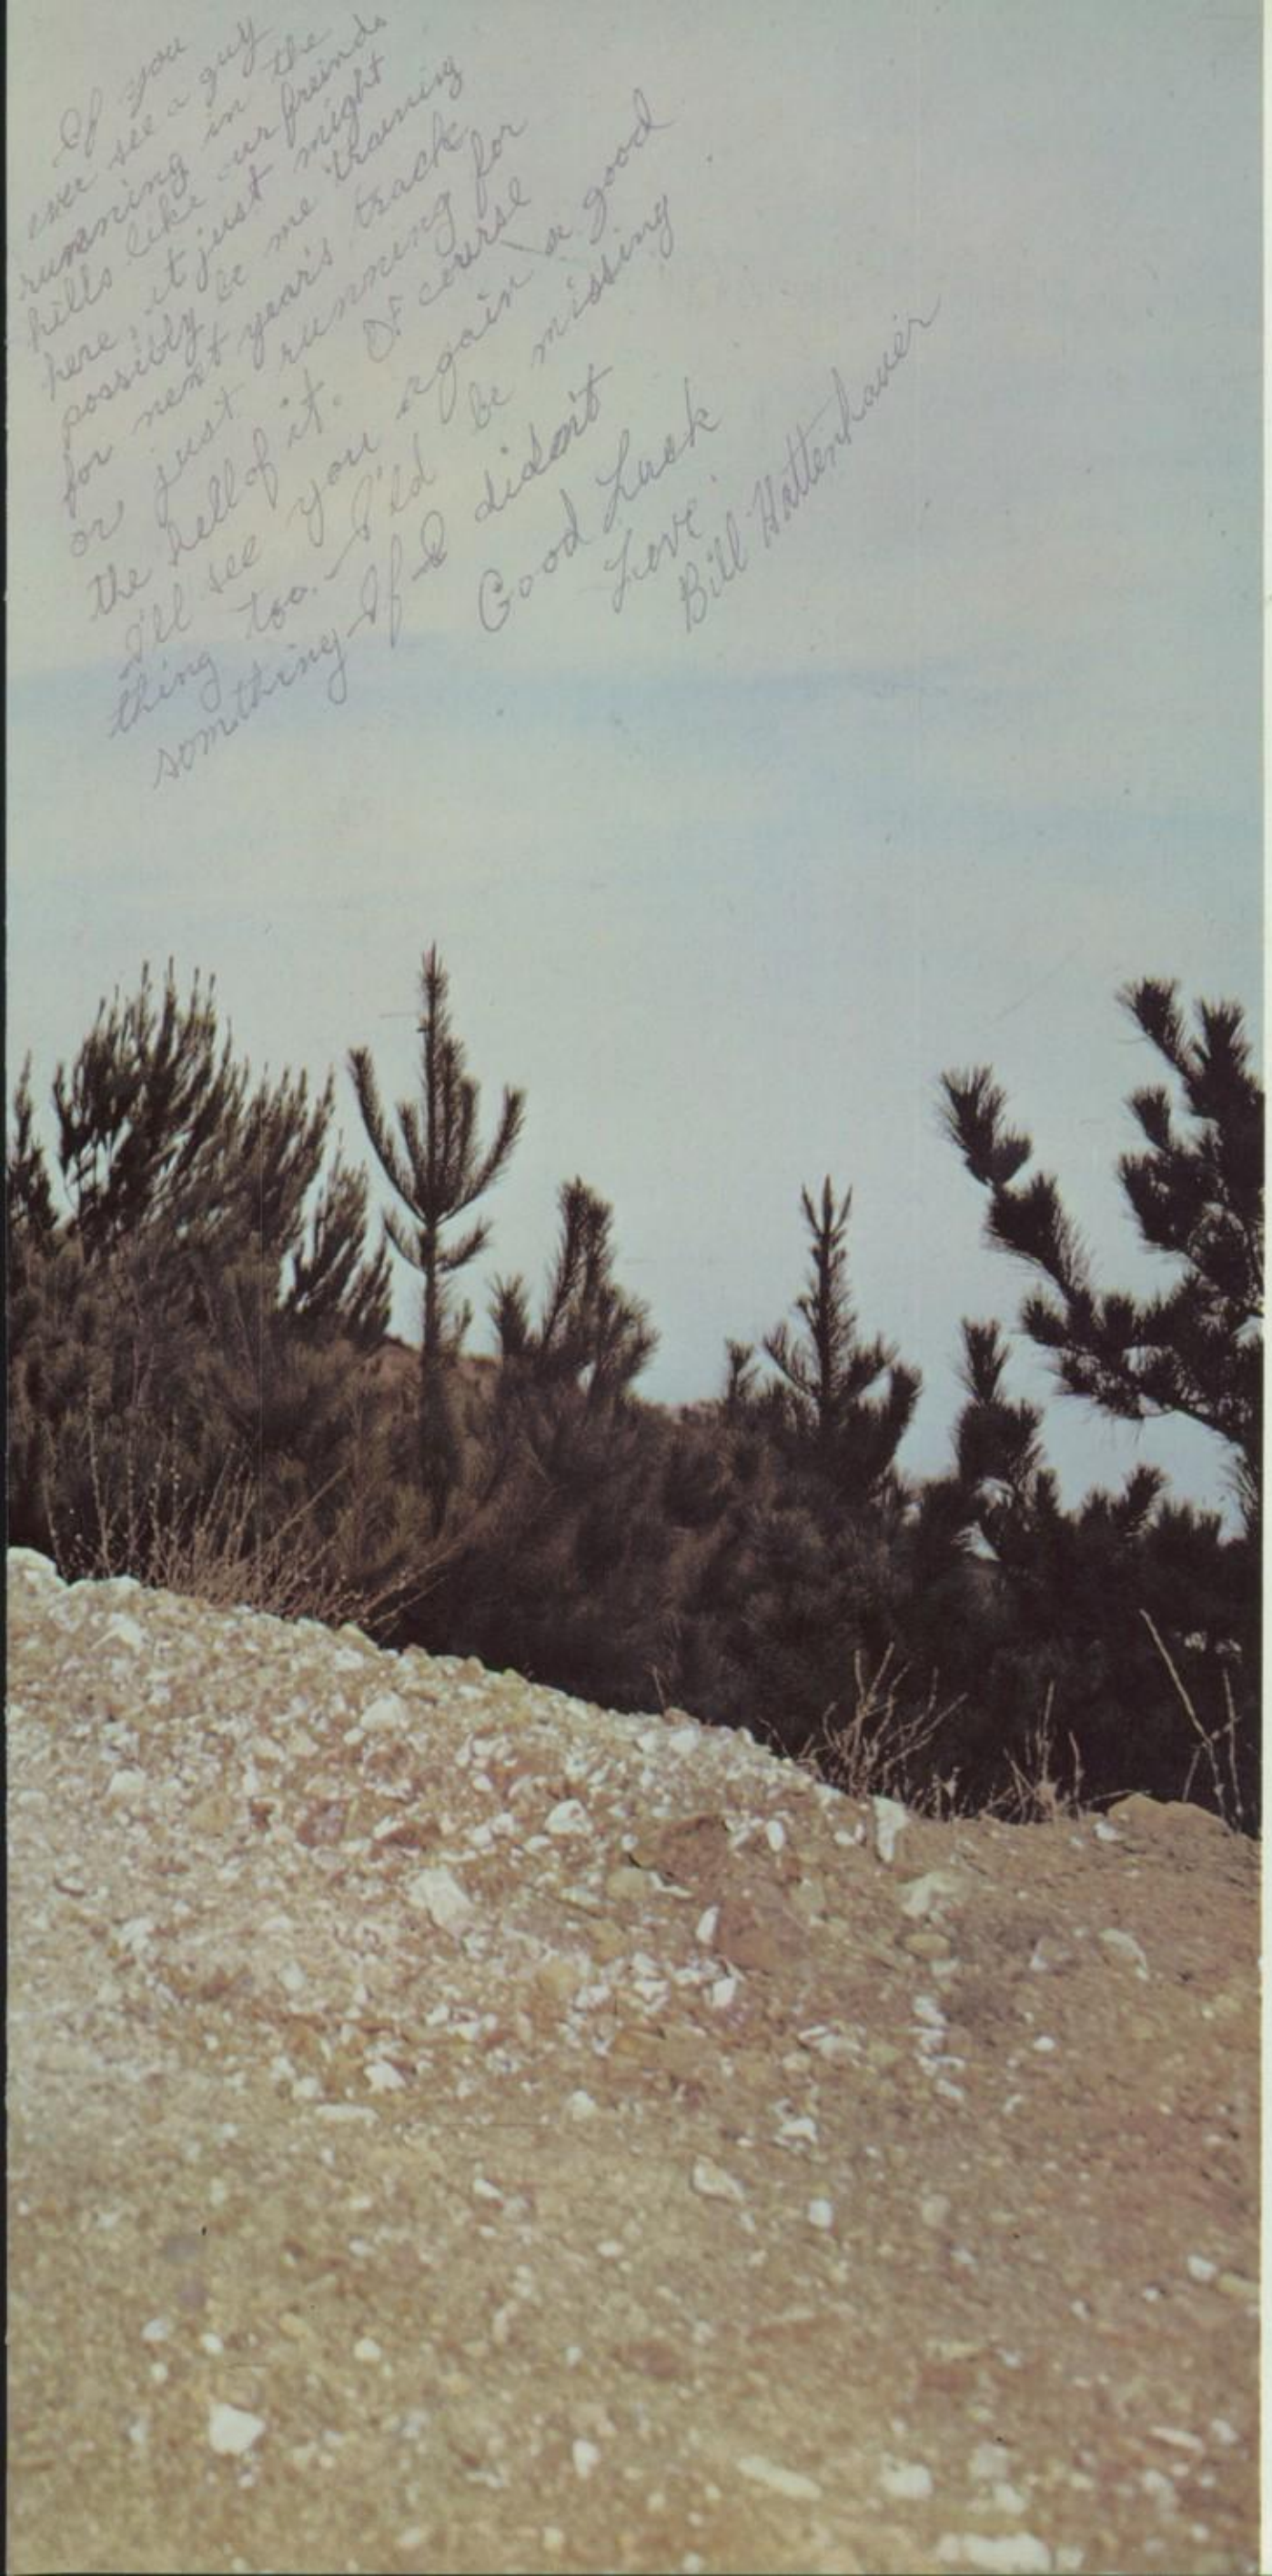
a child of thought and prism'd ideas.

She takes a flask
and into it pours
knowledge, intuition.
A tenacious child
she creates . . .
today she thinks
today she tries
a hypothesis
a theory
tomorrow, perhaps
a fact, a rule
a principle to
live by.
She is a dreamer,
an artist within
her own boundaries
but in the midst
of discovery
they question,
"she is wasting
her time
what is she
doing this for?"
a believer,
she smiles,
"today is a great
day — for learning."

Expression is a way of life, a common denominator—
Finding itself in hysterical laughter, tears of joy,
An artist's success, a quarterback's failure . . .







If you ever see a guy running in the hills like our friends here it just might possibly be me training for next years track season or just running for the hell of it. Of course I'll see you again or good thing too. I'd be missing something if I didn't
Good Luck
Love
Bill Hatterkauer

At hill's crest
The manchild catches
His breath in great
Windy gasps, sighs.
His body is well
Taught: to disregard
Weariness, to blight
Out discomfort.
One foot precedes
Another, falls behind,
Again outstrips
Its fellow. Endless,
Infinite process —
Mechanical and
Unthinking.
His body is
Harnessed, but the
Mind's reach is
Boundless.
Today he paints
Soulpictures
With turquoise from
The tapestry above
His head, emerald
From boughs of
Pine . . .
Here flesh stands
Defined, but mind
Consorts
With nature.

THE TRIBUNE

. . . and Fridays are special, for on those days the more aggressive and agile among us are able to maneuver into the proper position to grab a single copy of the *Tribune*. Week by week the Tribune reflects the here-and-now of Taft High, those very things that make us what we are.

THE PEACE CORPS

Taft is proud and honored to have been selected as a "host school" for twenty-one Peace Corps Trainees. We opened our classrooms and for six weeks all of Taft was caught up in the spirit and this endeavor. Although each has departed for Chile and the teaching assignment awaiting him there, the glowing memory of their dedication, vivacity, and *concern*, will remain a part of each of us whose lives they touched.

Mr. Price Gibb, the latest addition to the ranks of Taft's "high officials," has recently replaced Mr. Curtis as Boys' Vice Principal. One of his nicest qualifications is that he is the father of four children — three of them teenagers. Mr. Gibb is extremely happy to be with us at Taft in his thirteenth year of teaching in the Los Angeles School District, and he considers this his "lucky year." His warm, friendly manner and concern for students as individuals secured his status as a campus favorite from the very beginning of his stay here. When asked what he considered the most difficult task awaiting him as our new Boys' Vice Principal, Mr. Gibb laughingly confided, "to learn the names of students, faculty, and buildings!" With current enrollment hitting 3800, he definitely has his work cut out for him!

Birmingham

The mighty Toreadors opened the '67 season at Birmingham Stadium. The Varsity stuck Birmingham with a 24-0 loss. The scoring started with a fumble recovery on the Birmingham 42, by Steve Platt. Our offense unit run by Mike Critchfield traveled the distance in just five plays with Spencer Horwitz scoring from the three behind a block by Ken Tarlow. At halftime the score was Taft 6, Birmingham 0. In the third quarter Taft marched 41 yards in 9 plays to bring the score to 12-0. Taft's final 2 touchdowns were set up on interceptions by Jeff Erb and Bruce Young. Mike Critchfield brought Taft its 3rd T.D. and Bruce Radenbough broke away a few minutes later for a 35 yard scoring jaunt. Outstanding recognition goes to backs Horwitz and Critchfield and an excellent performance by guard Bill Johnston.

Poly

Taft's Varsity went into this game thinking they had an easy victory. As it turned out, our team was stunned by the Poly Parrots 9-7. At half-time the score was 6-0 Poly. Our offensive unit showed little spark and had a rough time moving the ball against Poly. Finally late in the third quarter Taft moved the ball 37 yards for their only T.D. on a 92 yard run by Mike Critchfield. The extra point by Jeff Marks was good, bringing Taft out in front 7-6 with one quarter left to play. Late in the 4th quarter a Taft fumble was recovered in Taft territory. Poly could only get the ball to Taft's 27 yard line. From there, Eric Shirley, Poly's place kicker, put one through the uprights to give Poly a 9-7 lead with 57 seconds left. Our offense got the ball and started to move but the gun went off, and Taft players left the field shocked by this defeat.

Los Angeles

Taft traveled to Los Angeles to try to redeem themselves from the previous week's showing. Taft handed the game to the Romans by giving the ball away ten times; four times on fumbles, three times in interceptions and three times on blocked punts. The first L.A. touchdown came after a magnificent goal line stand by our touch defensive unit. The Romans had four chances to try to score from the three and could not make it. Taft took over in its one inch line and three plays later a quick kick was blocked and the ball recovered in the end zone for a Roman touchdown.

The other two L.A. scores came on long passes through Taft's defensive secondary. The lone Taft score came in the 3rd quarter after an 80-yard drive in ten plays; on a 7-yard run by Bruce Radenbaugh behind a crippling block by Rich Ackerman. As the time ran out, the scoreboard read: L.A. 18, Taft 6.

San Fernando

Taft lost to the San Fernando Tigers 41-21 in the toughest game of the season. It was 6-6 at hall time after Steve Platt picked off a Tiger pass and ran it back for a 30 yard touchdown. At the end of the 3rd quarter, the score was 20-19 San Fernando after two spectacular runs of 5 and 38 yards by fullback Steve "The Horse" Ehrlich. After the Tigers scored another touchdown, Taft's Scott Springer blocked San Fernando's punt out of the end zone and Taft picked up two more points to make the score 27-21 Tigers. With 1:40 left to play Taft had the ball. A misunderstood sign by the Taft lineman made it possible for a Tiger to break through and defect the ball right into the hands of a teammate for a touchdown. One set of downs later, San Fernando scored again to raise the score to 41-21 as the gun sounded.

Reseda

After coming into league play with only one victory to their credit, Taft knocked off Reseda 7-0 to capture the second league championship in three years. The first time Taft received the ball they marched from their 36 for a score by Mike Critchfield from 12 yards out. Jeff Marks, again put his toe to work and gave Taft their 7th point. From there on out, both defenses dominated the game as both teams could not move the ball. Bill Ogden, Dick Branca, Steve "All City" Platt, Jon Griffith, Rich Ackerman and Ken Tarlow played yeoman duty on the line while Doran Cates, Jeff Erb, Larry Robinson and Bruce Young starred in the defensive backfield in the Taft shutout. This victory gave Taft a crack at the city title to be played at El Camino against number one rated Gardena.

Cleveland

Taft's Varsity fooled everyone by going out and stopping the best offensive unit in the West Valley. After losing three straight games, Taft still was able to defeat a fine team from Cleveland 14-0. Taft's tough defensive unit led by tackles Gary Dorner and Bill Ogden held the Cavaliers to just 105 yards as Taft rolled up 331 yards. Guards John Griffith and Russ Roy, who substituted for an injured Rich Ackerman, made it possible for Taft to collect 207 yards on the ground. With one minute gone in the 3rd quarter, Spencer Horwitz broke away for a 64 yard scoring run on great blocking by Mike Critchfield and Bill Johnston. Taft's second score was set up by Bruce Radenbaugh's 2nd interception of the night. This T.D. was scored by Mike Critchfield behind a key block by Johnston. Jeff Marks, Taft's rapidly improving kicking specialist kicked his 2nd conversion of the night to make the score 14-0.

Canoga

Taft traveled to Old MacDonald's Farm (Winnetka Tech.) for a very important game against the Canoga Park Hunters. Mike Critchfield probably played his best high school game ever in front of a standing-room-only crowd at Pierce. Mike gained 109 yards rushing for a 7.8 yard average. Canoga Park drew first blood in the first quarter but after that, Taft dominated all aspects of play. Taft scored when Critchfield fooled everyone, including his own team. He faked a handoff to Bill Johnston and skirted left end from 5 yards out. Stiff defensive play by Bruce Young, Larry Robinson and Rick Solomon forced Canoga to try a 20 yard field goal after a 79 yard drive which was blocked. Taft finally got a drive going which was culminated by a four yard quarterback sneak by Mike Critchfield with 7:10 left to play. Neither team scored again and Taft left the field with their second straight league victory and an opportunity to play Reseda for the championship, with this 14-7 victory.

Chatsworth

The Varsity finished their perfect league season by defeating Chatsworth 27-7. Two of Taft's four T.D.'s were scored by Mike Critchfield's one yard plunge and a ten yard race from Dennis McKown to Doran Cates. Later, Dennis McKown threw again to Cates for another touchdown, this one worth 29 yards. Taft's final touchdown was scored by Bill Johnston for his first touchdown of the season on a smashing yard run. The second Best Defense in the Valley held a strong Chatsworth offense to only 163 yards while our offense netted 370. This victory displayed to all the sportswriters that Taft's offense was not as poor as the scores revealed, and that Taft does have a strong offense.

Gardena

Although the Taft Varsity gave the game their all, they lost to number one rated Gardena 40-2. Gardena jumped out to a 27-0 halftime lead on runs by halfback Dave Moch, the best back Taft faced this year, and a pair of screen passes. Taft came back to play Gardena even in second half, except on the scoreboard. The Mohicans outgained the Toreadors, 161 to 154 yards in total offense after intermission, but Taft controlled the ball and three times moved deep into Gardena territory, twice to the Gardena 24 yard line, and once to the 19 before giving up the ball on downs. The Toreadors moved to the Gardena 1 with 32 seconds left for Taft's deepest penetration. Reserve QB Dennis McKown plunged over from the one-yard line only to have the 6 points voided by an illegal procedure penalty. Then a pair of passes from Mike Critchfield to Doran Cates for 14 and 30 yards sparked the drive. Taft's two points came on a third-quarter safety, earned when tackled Gary Dorner broke through to trap the Gardena QB in the end zone.

Bee Football

Taft's Bee team had another rough season. Taft took third in leage action but did a fine job in playing L.A. and San Fernando. Although our backs were outclassed in speed, our line pushed the Romans and Tigers all over the field. With a record of four wins and four losses, and a very good foundation on which to build a team, next year's Bee team appears very promising . . .

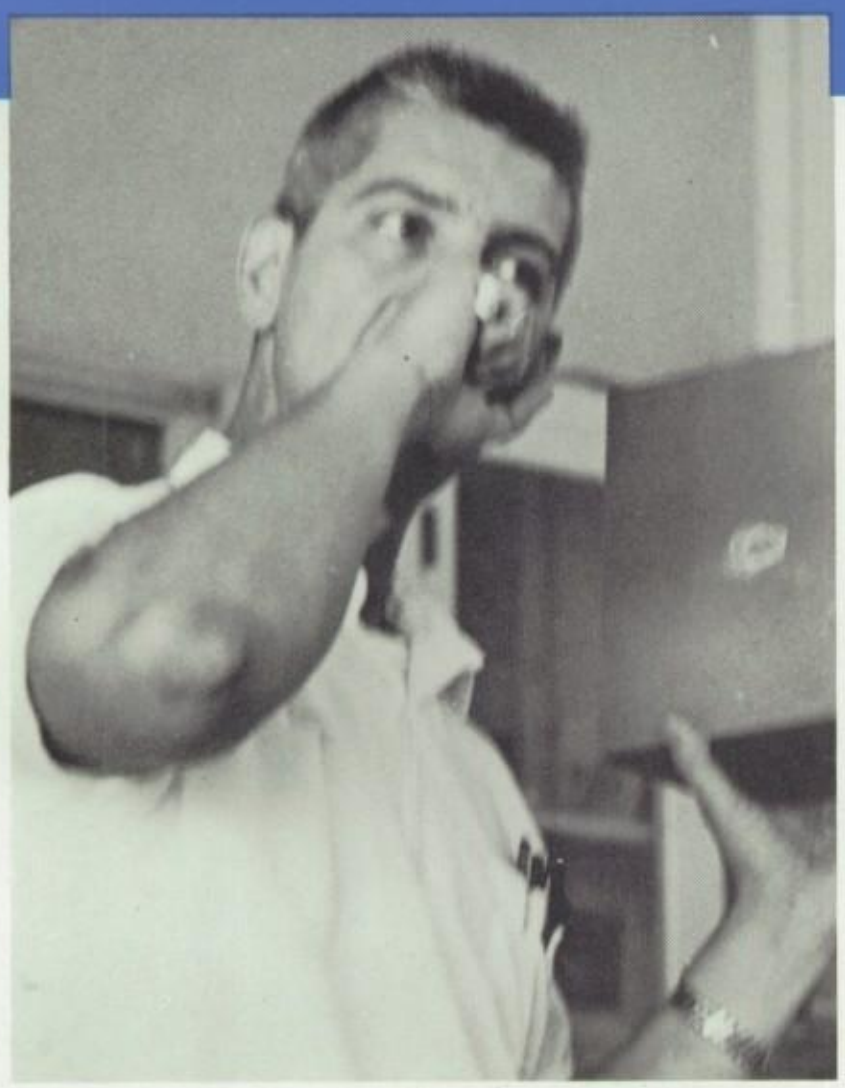
ACT!



THE FACES OF DR. OLMSTEAD

This is the man seated beyond the threshold marked "Principal" — tireless, commanding, awesome. The same man who enthusiastically joined Taft's drama department for the duration of "A Portrait of Nelson Holiday Jr.", drawing spirited applause from an appreciative student body. This is Dr. O. as we see him every day: a leader, a symbol, a personality — also a husband, a father, an educator.

Dr. Edwin Olmstead has, for the past thirty years, been a part of the Los Angeles City School System, imparting his knowledge and understanding to three generations of young Californians. He, more than any other single person, has made Taft High into what it is today: a living, dynamic community of educators and of the educated. Controversial speakers, open dances, more liberal dress standards — all have been initiated for the first time in our school's history, and only because Dr. Olmstead gave the official "go ahead."

Dr. Olmstead daily faces an almost Herculean task ... that of promoting and sustaining the all-important relationship between faculty and students, school and community.

You may have seen him at a football game, tense, hopeful, expectant, engrossed — eyes unwaveringly fixed upon the red and gold of "our boys." You may have seen something else, something mirrored in his eyes, in his childlike rapture — a profound, undisguised pride in the Community of Taft.

As Boys' Vice-Principal, Mr. Arthur Curtis has never known an uneventful day, a dull moment. For seven years he has bent his efforts towards the promotion of "good will" among all segments of Taft's society, a job which he feels is satisfying and rewarding. He must "luv" us, because it is rumored that Mr. Curtis lately uttered a remark in praise of Taft students: "We couldn't have a better bunch of kids anywhere!"

Mrs. Jeanne Carmichael, our chic, soft-spoken Girls' Vice-Principal, is truly an inspiration to Taft's feminine population. She acts as a big sister to our "Toreadorable" girls — every one of whom will confirm her adeptness in this delicate skill! Her deep understanding and elusive "feminine intuition" have endeared her to Taft students (male and female alike) throughout her stay here.

Bonnie -
Thanx for brightening an otherwise dull A.L.S. class. Just remember me as the kid with the big mouth, though I guess that's not too pleasant. Hope to see you during the Summer.
Love,
Allen Dobbins
